

Plymouth Environmental Action February programme 2012

Aged 16 to 25? Looking for something fun (and free!) to do at the weekends?

Interested in practical conservation and the environment? Enjoy being outside, meeting new people and learning new skills?

PEA is an exciting youth led project funded by the Heritage Lottery and supported by BTCV Plymouth. You can get involved with tree-planting, hedgelaying, bush-craft activities, survey work, footpath construction, beach cleans and much more!!!

Dates in February! IT'S A LEAP YEAR!

Saturday 4th February: Construction of an 'Insect Hotel' habitat and pond clearance at Antony house with the National Trust

SUNDAY 12th February: Tree planting and lichen survey at South Brent near Plymouth with Moor Trees and OPAL

Saturday 18th February: Scrub clearance and stone collection for Devon banking at Saltram House with the National Trust

Saturday 25th February: Continuing practical conservation at Antony House with the National Trust

For more information or to book a place, please contact the PEA team at BTCV on:

Tel. 01752 301455 Text/Ring: Mobile 07833 923661

Pop into the office at BTCV Plymouth, 6 Mannamead Road, Mutley, Plymouth. PL4 7AA
